#### THE PRESIDENT.

A Slight Change for the Better.

WASHINGTON, D. C., August 28 .- The situation this evening appears to justify the conclusion that the President has, all things considered, passed the most favorable Sunday of any for the last four weeks. He is unquestionably in a weaker state, but the progress or change made has been in the right direchave erected an art hall annex for display of tion. He passed a bad night Friday night, The following clipped from our extra of

vesterday is the latest intelligence up to the hour of going to press: WASHINGTON, D. C., Aug. 29-8.30 A. M .-President's symptoms this morning are as favorable as yesterday at same hour. He

slept, awakening at intervals, greater part of the night. At these intervals he took and retained liquid nourishment administered. His mind continues perfectly clear. Pulse 100; Temperature 98.5; Respiration 17. BLISS AND OTHERS.

#### LATER.

The following is the official bulletin received

at Sumter at 9.30 this morning : Washington, Aug. 30-8.30 A. M -The life which are so prominent in their effects President slept the greater part of the night, upon the morals or politics of the populace as awakening at intervals, and retaining liquid such events, and as individual character is hour vesterday. Pulse 102; Temperature 98.5; Respiration 18.

The last Williamsburg Herald contains the valedictory of Mr. H. J. Moroso, whe has returned to the Stage, and also the salutatory of Mr. H. M. Gilbert who has succeeded him. The paper is now published and edited by Cunningham & Gilbert.

The cases, eight in number, against Redmond, the moonshiner, came up last Thursday at Greenville. He made no defence, and verdicts were rendered against him in all the Garfield in every part of the Union, evinces a cases. Sentence has not yet been passed upon

## and Bliss the Cause.

It is another forcible attestation of the strength | ignorance and malpractice of the first fortyand liberality of our government, and a proof | eight hours. We have the pleasure of knowthat its foundations were laid in justice and ing an officer of the United States army who wisdom, Although many innovations have concedes to Dr. Hammond all the honor of a principles as conceived by its founders, there who agrees with us that if President Garfield den last week, killed a fine horse by trying to make it the best government the world ever the treatment of some plain but scientific physician, he would probably be now a well growing town and one which will be very post, guaranteeing to give them entire satis-

Dr. Marion Sims had been followed the President would have been a well man to-day and called heroic treatment. But that should have been the course, and everybody now sees it when, alas! we fear too late. A well informed scientific friend of ours and we therefore give it to the readers of the Journal and Review. He says: "If I misaged the President's case is the same Dr. Bliss who, some years ago, monopolized the Condurango business, and duped his patients to the extent of a fortune, insisting that his imported Cancoplant was the only genuine, and very different from what the druggists import-When the reputation of Condurango died out the doctor did not follow suit, but, unless I am misinformed, took to more objechighest moral and social standing, and therefore entitled to credit. In other words, the life of a man holding the highest executive office concurrence of the Trustees of Sumter School in the world has been confided to a quack, forced science and merit to stand back, while

he cut his pranks and capers around a man upon whom the sympathies and pravers of a great nation are concentrated. Verily a foolish thing has been done, and the results may be terrible. Nothing can save him but a strong constitution, given by Almighty God, perhaps, to meet this very crisis. Ignorance has done its worst. Science can now do noth- and enclose their advertisement (printed on ing. When a man loses eighty pounds of another page,) will receive a set of fancy adverflesh in six weeks, and can't receive food in | sing novelties, of value to those collecting cards, the natural way, common sense teaches that &c. there is small hope, and nothing very short of a miracle can save. Even now it is too late to establish the reign of common sense. Let such men as Agnew, Hamilton, Wales and Hammond have full swing. Any one of school building, 3d of October, and continue them is better than the four combined. It is clergymen or other public men to be led into for five months, under the Common School a bad thing to collect doctors together in

[For the Watchman and Southron.] SALUDA, N. C., August 26, 1881.

Dear Editor: Saluda is one of the coolest and most pleasant villages in these mountains. It is, I think, somewhat higher than Hendersonville. Tryon Mountain, about 7 or 8 miles distant, is one of the loftiest peaks of the Blue Ridge, and is distinguished from its brothers by three trees on its otherwise bare summit. The view from the top, easily accessible from the western side, steep and wearisome from the eastern, is perfectly grand. I have been on most of the peaks in the vicinity of Henhave seen nothing to compare with the view from Tryon Mountain, except, of course, that

tonished at the great progress that very enterand now it is one of, if not the, most flourishing places in South Carolina. It is built on a great many bills, and the views in and taken them. around the city are very fine. Especially so is that of Furman University from Main street near the Court House. The Blue Ridge can be plainly seen from the tower of the University, and Paris Mountain is visible from Main street, being only 7 miles distant. Reedy

River runs through the centre of the city. Sumter and Bishopville friends, and you can goods in every department imagine how delighted we were to see them. From Greenville we went to Hendersonville, ria Spartanburg, and from H. to this place. We will remain here for a few days, when we go back to Hendersonville, and from that point to Asheville, and hope to write you another letter from the latter place and give you my impressions, as it is considered a large in a few years.

Yours truly,

The Usual Result.

It is not to be denied that a good sewing machine is one of the most important appurten We thought we had a good machine in our conseived until one day the agent of the New Home presented himself at our door and proceeded to deliver an oration upon its character-"But," we answered, "our machine serves us | Thursday, September 8th. nicely and suits us well, and we do not care for

another." The agent, however, was persistent, and finally begged the privilege of leaving one of his machines with us, "for the ladies to try." The request was not unreasonable, so eranted it-but more to oblige the agent than anything else; for we really did not want the machine, and had not the remotest idea of buy-

The machine once in the house, it was natural that the ladies should look it over. They did so, and as a consequence fell in love with . They say that without the slightest wish o decry or disparage any other machine, this, all things considered, is, in their opinion, the most desirable one to be had.

old machine was disposed of, and the "Light Running New Home" installed in our household-a very fair and satisfactory arrangement being made with the agent. It is pronounced a genuine beauty and a real comfort, and "our folks" wanted us to tell other

folks about it. This unrivalled machine is manufactured by JOHNSON, CLARK & CO, 30 Union Square, New York, who wish us to say that all who will send for their new illu-trated catalogue

Wicked for Clergymen.

Rev .-- , Washington, D. C., writes: I believe it to be all wrong and even wicked for giving testimonials to quack doctors or vile stuffs called medicines, but when a really meritorious article made of valuable remedies known to all, that all physicians use and trust in daily, we should freely commend it. I equal for family use. I will not be without

#### OBITUARY.

DIED on the 31st July, 1881, SUSAN EMMA, daughter, of T. P. and Annie Mc-Queen, of Sumter, S. C. The deceased was born on the 15th day o June, 1864, and was blooming into beautiful womanhood when death claimed her as his

Susan Emma's mind was unusually bright and acquiring, and her fond parents looked forward with pride and pleasure to the fulfilment of their most cherished wishes in the future life of their lovely daughter, but alas! for their blighted hopes, they now lie in the cold grave with the dead. Timid and retiring in disposition, she made but little display before the world, and it was only to those she loved that her true character was manifested. The writer will long miss her bright face in the Sunday School, where her punctual attendance, perfect lessons and quiet attention endeared her to him and made her one among his most interesting pupils. She died trusting in her Savior, and sorrowing friends duced have one more link binding them to the 'Land of Rest."

Dien, August 18, 1881, at his residence in

a few days of illness. DAVID E. DUBOSE,

aged 31 years, 6 months and 7 days. Just in the prime of life, just with the full bloom of vigorous manhood, with his plans for life all laid out before him, and working diligently for their execution; looking forward with confidence to their ralization and dersonville, and also on Casar's Head, but the consequent benefits to be derived therefrom by his family, the near future was full of hope for our departed friend. field of labor, I would ask for a continuance 122, 124, 126 MEETING STREET,

To Mrs. Julia F. Brogdon: TOTICE IS GIVEN TO MRS. JULIA F. I. Ingram has, to wit, on July 25, 1381, deposited in the Treasury of Sumter County (with W. F. B. Haynsworth, Treasurer of said County,) twenty 72-100 dollars, to redeem 206 acres of land and 8 buildings, in Concord Township, in said County, assessed as property of Est. W. T. Brogdon, and sold on June 27, 1881, at Delinquent Land Sale by said Treasurer for non-payment of taxes,

#### &c., for 1879, and purchased by Mrs. Julia F Brogdon, Aug. 20, 1881. CHAS. SPENCER. Auditor Sumter County.

OFFICE COUNTY TREASURER, SUMTER COUNTY, AUGUST 15, 1881. TOTICE IS HEREBY GIVEN THAT the office of the Treasurer of Sumter County will be open at Samter Court House from the FIFTEENTH DAY OF SEPTEMBER. 1881, to the TRIRTY FIRST DAY OF OCTO-BER, 1881, for the collection of State, County, School, Poll, and Special Taxes for the Fiscal Year commencing November 1, 1880, together with the penalty of five per contum on any un

ble in May last. The rate of levy on all property assessed for taxation is as follows:

For State Purposes-Five mills on each dollar of the valuation of the property represented on the Tax Duplicate for the said Fiscal For Ordinary County Purposes for said Fiscal

For Special County Purposes-to wit: For Indebtedness of said County prior to the first day of November, 1879 -- Two (2) mills on each dollar of said valuation; and three fourths (3) of one mill for Desiciencies of

Past Fiscal Year, and two and one fourth

(21) mills for Erecting and Maintaining

Fences upon the limits of said County. For School Purposes-Two (2) mills on each dollar of said valuation; also Poll Tax of one dollar on each taxable poll, to wit: of each male citizen between the ages of 21 and 60 years, except such as are exempt by law. The said Taxes are to be paid in the following funds, and no other, viz: Gold and Silver Coin, United States Currency, National Bank Notes, and Coupons on the Valid Consolidated Bonds of this State, known as "Brewn Bonds"-and GIN, Fort Valley, Ga.
